

Notice and Request Regarding Removal of Gel Nail and Nail Polish

To ensure the safety and accuracy of scheduled MRI examinations or surgeries, we kindly request that gel nails and nail polish on hands and feet be removed in advance.

This measure is essential to maintain the precision and safety of these procedures.

We sincerely appreciate your understanding and cooperation.

【Request and Important Notes】

- Please ensure that gel nails and nail polish are completely removed by the day of your examination or surgery. This is the patient's responsibility.
- If removal is not completed, your examination or surgery may be postponed or canceled. Please note that the center cannot assume responsibility in such cases.
- We are also unable to compensate for any travel or accommodation expenses incurred due to delays or cancellations.

【Request for Your Cooperation】

As explained during pre-consultation and booking, removing gel nails and nail polish is crucial for providing safe medical care.

Your cooperation ensures that examinations and surgeries proceed smoothly. Thank you for your understanding.

If you have any questions, please feel free to contact us.
